

Linda Marie Rustad

Linda Marie Rustad is the Director of Kilden genderresearch.no and editor in chief for Kilden's independent newsmagazine. Rustad holds a degree in Philosophy from the Norwegian University of Science and Technology. She is actively engaged in Nordic, European and international cooperation on gender equality in research, including the gender dimension in research content. She has worked as a researcher and lecturer at Centre for Gender Research at the University of Oslo, Norway, and has written several articles in feminist theory and reports on gender equality in research. Rustad has worked as a senior adviser at Universities Norway responsible for the Committee for Gender Balance and Diversity in Research commissioned by the Ministry of Education and Research. She was a former member of the Helsinki group on women and science in the European Commission and has participated in several gender projects funded by the EC.
